

IDEAS ON HOW TO SPEND THE DAY

Houseboat holidays are a relaxing and unique way to spend time in nature with family and friends. Below we share some of our favourite river and houseboat activities that you might also enjoy during your Murray River Escape.

ON-RIVER EXPERIENCES

1. Take a short walk at sunrise and see the spectacular colours in the red gums
2. Photograph the first light on the water and the mists rising
3. Photograph spectacular sunrises and sunsets
4. Climb the cliffs on a gentle slope and view the vast river valley
5. Create a tally of birdlife you see on tour and use the app 'Birddata' to share it with Birdlife Australia (available on iPhone & Android)
6. Spot a kookaburra
7. Set a fishing line off the houseboat swim deck with a bell to alert you
8. Make a small campfire in non-fire season (check local dates), and bake some potatoes or toast marshmallows
9. Take a swim in the river
10. Go for a quiet canoe in a creek
11. Count kangaroos and emus
12. Play a round of cards (UNO is our family favourite)
13. Prepare a cheese platter to enjoy on the top deck at sunset
