

YOUR HOUSEBOAT ON THE MURRAY RIVER

YOUR HOUSEBOAT ON THE MURRAY RIVER

Our custom built houseboat 'High River' is your luxury accommodation. The houseboat has been designed to provide environmentally sustainable accommodation with 52 solar panels delivering quiet efficient power, removing the need for diesel generator.

The houseboat has 6 ensuite bedrooms and flexibility is maintained with beds that can be set as a King or King single beds. All rooms can accommodate 2 adults per room.

On the spacious upper deck you'll find a spa and ample room for relaxation and yoga.

All linen is provided, however, please bring an extra towel for spa and swimming use.

Medium sized suitcases and duffel bags are recommended for easy storing in our cabins.
