

MURRAY RIVER ESCAPES

TAILORED HOUSEBOAT HOLIDAYS

4 DAYS
3 NIGHTS

Our itineraries have been refined by guests who have enjoyed these river experiences from the relaxing comfort of our luxurious houseboat. Our guides lead you to the best houseboat moorings and help you discover the local food, brews, wine, and riverine environments.

Create all but one fabulous meal aboard your houseboat, when a local chef comes aboard one night to create a special occasion.

4 DAY ITINERARY

DAY 1 - RELAXING RIVER CRUISING

Welcome to your houseboat with secure parking nearby.

Settle in and familiarise with the river and its mighty redgums as you cruise through the oldest lifting span bridge on the river, past ancient river cliffs on route to a spectacular mooring site soon to be transformed by the reflections of the setting sun. Chat with your guide if you want to delve.

Pre-dinner relax into the evening with a sunset spa listening to the calls of the Whistling Kites and Kookaburras.

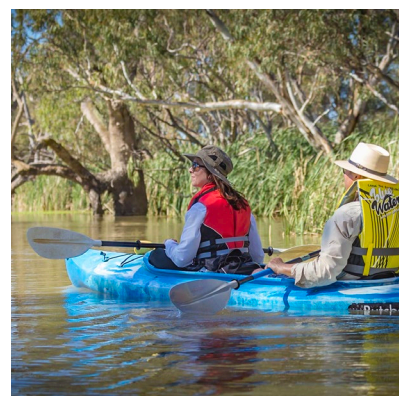

DAY 2 - HOUSEBOAT CRUISING, GUIDED BUSH WALK OR CANOE AND CHEF DINNER

Breakfast done; your guide arrives to help you explore more of the river's meandering bends as you cruise to your new overnight mooring opposite a magnificent cliff face where you can capture its beauty at sunset.

Your group has the choice of a pre-organised guided half day walk through diverse river country, oxbows and forests, or a guided morning canoe through peaceful creeks and backwaters.

Prepare for a treat –when a local Chef arrives in the evening to create a special occasion –a three course dinner with local fare.
