## 5 DAY ITINERARY

### DAY 1 - RELAXING RIVER CRUISING

Welcome to your houseboat with secure parking nearby.

Settle in and familiarise with the river and its mighty redgums as you cruise through the oldest lifting span bridge on the river, past ancient river cliffs on route to a spectacular mooring site soon to be transformed by the reflections of the setting sun. Chat with your guide if you want to delve.

Pre-dinner relax into the evening with a sunset spa listening to the calls of the Whistling Kites and Kookaburras.

### DAY 2 - HOUSEBOAT CRUISING AND GUIDED BUSH WALK

Breakfast done, your guide arrives to help you explore more of the river's meandering bends as you cruise to your new overnight mooring opposite a magnificent cliff face where you can capture its beauty at sunset.

Set off with your guide to explore the landscapes on an easy half day walk through diverse river country, revealing river birdlife and kangaroos, red gum forests and box woodlands.

Now you are reading the landscape, in tune with your surrounds and enjoying the views from your houseboat.

### DAY 3 - GUIDED CANOE, HOUSEBOAT CRUISING AND CHEF DINNER
